

FT337002 FLEURS D'EAU

Delicate and majestic composition of lotus flowers. This symbol of Egyptian art is considered the initial flower with magical powers. Hand-tufted, the wool loop pile is partially shaved in a random fashion to bring a light texture. FLEURS D'EAU is a tribute to the creativity and know-how of ancient Egyptian artisans. The lotus can indeed be considered one of the most famous symbols of ancient Egypt because it is associated with the birth of the sun and therefore linked to rebirth.
