

B1887002 VERMICULE NEGATIF

Negative variation of the vermiculated Le Grand Corail print. This motif of delicate vegetal arabesques in all-over is frequently found on the backgrounds of 18th century woodblock prints. It fills the gaps left on the fabric by the floral motifs placed or the arborescent stems, to enrich the design.

B1887002 - Nattier

Braquenié

TYPE	Prints
COMPOSITION	100 % Cotton
SALES UNIT	Available per meter/yard
WIDTH	126 cm / 49,60 inch
REPEAT	V: 12 cm - 4,72 inch
WEIGHT	214 gr / ml
CARE	
NOTES	Made in France (EPV Living Heritage Mill)
