

## B7650001 PETITS APPARTEMENTS DE LA REINE

Superb drawing whose hand screen printing reveals a large motif of flowering branches and pineapples. It reproduces a printed canvas named "l'Ananas", kept in the Musée de la Toile de Jouy.

Originally printed with the block printing technique around 1777, it was used for furniture. The Château de Versailles chose it to decorate the walls of the rooms "à la reine" of the small apartments of the queen. Also available in wallpaper.
