

B7651001 RAYURE PETITS APPARTEMENTS DE LA REINE

A beautiful hand screen print with a striped pattern of fruit and flowers that perfectly matches the large tree of the same name. Like the latter, it is present at the Château de Versailles and decorates the rooms "à la reine" of the small apartments of the queen. The original document, printed with the block printing technique around 1777 by the Manufacture Royale d'Oberkampf, is kept at the Musée de la Toile de Jouy in Jouy-en-Josas and the Royal Ontario Museum in Toronto. Also available in wallpaper.
