

B7677001 LES LILAS LIN

This beautiful Jouy pattern of blooming lilac branches is traditionally hand screen printed in France on a cotton and linen canvas. Since 2008, it has adorned one of the rooms in the Petit Trianon where Queen Marie-Antoinette liked to retire. The original document, printed with the block printing technique around 1773, is kept in the Musée des Arts Décoratifs in Paris.

B7677001 - Blanc

Braquenié

TYPE	Prints
