

B7678002 LES LILAS

This beautiful Jouy pattern drawing lilac branches in bloom is traditionally hand screen printed in France on a cretonne. Since 2008, it has adorned one of the rooms in the Petit Trianon where Queen Marie-Antoinette liked to retire. The original document, printed with the block printing technique around 1773, is kept in the Musée des Arts Décoratifs in Paris. Also available in wallpaper.
