

## F3036001 STREET DIPTYQUE

This design printed on cotton reproduces a diptych by young French artist Charles Pringuay, who was born in 1984. His predilection for working on several canvasses – which he then assembles into a single artwork – recalls the 15th and 16th century primitives whom he studied during his classical training. His cross-disciplinary style straddles painting and engraving, giving rise to highly personal and energetic artworks that blend Street Art with underground culture.
