

# F3074011 MANI

A beautiful allusion to South American culture and its numerous multicolored markets, Mani and its diamond-shaped motifs evokes basket weaving and wickerwork. With its woven straw effect, this weave has been developed to be very easy to clean and suitable for outdoor use. It can thus be used for a variety of purposes. It will be ideal for furniture, cushions and hangings in the home, on the patio or by the pool.
