

## F3075005 LAGOS

As a new variant of the diamond pattern, Lagos offers an elongated polychrome version inspired by the embroidered motifs of the huipil, the tunic worn by Mayan women. This weave has been developed to be very easy to clean and suitable for outdoor use. It can thus be used for a variety of purposes. It will be ideal for furniture, cushions and hangings in the home, on the patio or by the pool.
