

F3126005 ANATOLE

A very handsome plait enhanced with a plural composition of various wools. An exceedingly beautiful merino wool blends with a Geelong wool, known for its extreme delicacy and unequalled softness (wool from the first shearing of lambs). The blend is luxuriously combined with a cashmere wool to contrast with the silky finish of goat wool. In addition to their natural qualities, these wools are crushed for great softness and sturdiness.
