

## F3211023 MEDIUM

India Mahdavi has created a collection for Pierre Frey that focuses on velvet, a favorite material invented in Kashmir and known as "swansdown"; it was first used in Iran and later imported to Europe. MEDIUM is a plain cotton velvet with an un-matched feel. As very robust (Martindale over 100,000 cycles) and incredibily soft, it is a must-have from Pierre Frey.
