

## F3251001 ANDREA

This pattern of large circles in watercolor is printed on linen canvas in a natural and contemporary spirit. Verging on abstraction, ANDREA is the work of a student from La Cometa, a school in Italy. Founded in 1986 by Erasmo Figini, a stylist and interior designer, the school provides support and training for children from difficult family backgrounds. For Erasmo, creation and aesthetics help to reveal the beauty of the world. The ANDREA design, which is named for its creator, touches us deeply through the emotion it conveys.
