

F3385002 DOROTHEE

Gilles & Boissier's 'Les trois sœurs' capsule collection for Pierre Frey. Printed and then glazed canvas echoing English chintz, this fabric is representative of know-how dating back to the early 20th century. The rich pattern of generous flowers with shimmering reflections and faded colours is an invitation to stroll in an English garden. The Gilles & Boissier couple showcase their childhood memories by reimagining, for Maison Pierre Frey, this romantic fabric that evokes the Bloomsbury Set, an English literary and artistic group with a bohemian spirit.
