

F3442002 GOLFE

Magnificent two-tone linen canvas with an irresistibly soft hand and generous weight. As the color of the warp subtly contrasts with the one of its weft, this semi-plain presents a micro-checkerboard.

With its vintage and authentic look and its high-performance properties, GOLFE combines the beauty of a natural fiber woven in Pierre Frey's workshop (labelled Living Heritage Mill), with pigmented color and treatment that achieves the best outdoor performance (high lightfastness, water-repellent treatment for high resistance of colors to the elements and mold resistance).
