

F3444026 CABRIERES

Contemporary with its solid stonewashed coloration, this magnificent and authentic linen chintz has a traditional, subtly glazed appearance. The light fall and sherbet tints make it a sublime drapery fabric, ideal for curtains. The delicacy of its chintz finish make it sensitive to water and steam.

F3444026 - Glacier

Laize : 142,00 cm / 55,90 inch

Pierre Frey

TYPE	Plains
