

F3487001 LIVELY

Aptly named, LIVELY is a recall of sunny shapes beautifully floating in midair. With their airy feel, the large hand-painted shapes once cut out of paper are more alive than ever, printed on a bright, soft and elegant linen. The unique choice of colors all work together in a wonderful, united relationship.

F3487001 - Multicolore

Pierre Frey

TYPE	Prints
ARTIST	Liz Roache
