

## F3597001 CHAMONIX

CHAMONIX is a wide width, washable and non-flammable sheer with a very nice hand and matt opaque stripes contrasting with its transparent background. Its sober and elegant pattern has a slight undulation made possible by a weaving process that leaves the opaque wefts free and gives it a touch of poetry. Trevira CS polyester fiber.

### F3597001 - Coton

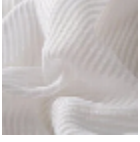

Laize : 330,00 cm / 129,92 inch

### Pierre Frey
