

## F3893001 BOIS DES FEES

This magnificent jacquard, with its soft, woolly hand, dreamily depicts an idyllic, naïve garden in warm, autumnal tones. BOIS DES FEES is inspired by a tapestry-style jacquard from the last century, preserved in the Maison's archives. Woven in Pierre Frey's EPV-certified workshops in northern France, it is also available as wallpaper under the reference FP112 BOIS DES FEES.
