

## F3964002 AGAFAY

This textured jacquard faithfully reinterprets a contemporary work by Adrien Testard. His work is rooted in the art of folding. He plays with the propagation of ink on folded Japanese paper, generating multiple landscape textures and colour variations. Once unfolded, Adrien's work is an ode to the illusions and mirages seen at the gateway to a desert, where the waters disappear. Also available as coordinated wallpaper under the reference AGAFAY FP152.
