

## L2290002 BALMORAL

We have decided to re-edit a special coloring of this print, which has been made by Le Manach since 1903. It reproduces a toile de Jouy fabric named 'Water Lilies' that was printed at the Oberkampf factory around 1795. The motif is composed of flowers scattered inside diamond-shaped ribbons that are placed in staggered rows on a background of small white leaves in a reverse print.
