

L4005002 KATHMANDU OUTDOOR

Between animal skin and ripples, KATHMANDU is a two-tone jacquard that takes us on a journey through the bark of Nepal. This iconic Maison Le Manach design has been reimagined in a new high-performance outdoor weave by the Pierre Frey workshops in northern France, certified with the EPV label and renowned across Europe for their expertise in stain-resistant and lightfast textiles.

L4005002 - SIENNE
