

T0670001 GIRAFFE

Since ancient times, the giraffe has fascinated the West with its large legs and long neck. In 1826, Mehemet Ali decided to offer one to England. However, the giraffe did not cope well with the journey and it died on arrival in London. The animal's coat then inspired fabric designers in search of exoticism, like that of the cheetah, tiger or zebra.

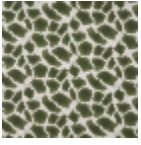

T0670001 - Thyme

Thorp of London

TYPE	Prints
TECHNIQUE	Screen printed by hand
SALES UNIT	Available per meter/yard
GROUND	TS004 - Douglas White
COMPOSITION	78 % Linen - 22 % Bamboo viscose
NUMBER OF COLORS	2
COLORS	A-HOLLY 71 B-THYME 213
DESIGN WIDTH	130 cm / 51,18 inch
