

# FLITHBA LITHO

The LITHO line, designed by Guillaume Delvigne, means «stone» in ancient Greek. It resembles a primitive landscape where each piece would have its own personality and would resonate with each other. Each piece is the result of an assembly of volumes, either nested or simply placed one on top of the other, reinforcing this monolithic presence. Large, massive and sculpted forms emerge with a polished, almost mineral appearance. Entirely upholstered in fabric, they pay homage to the Maison's historical know-how. Sofa, slipper chair and bench evoke a relaxed and friendly attitude.
