

# FTASSTA TASSARA

The Tassara line composed of a sofa, an armchair, a bench and a coffee table, explores the beauty of the mosaics of the Italian city Tassara, where each floor represents a fascinating marriage where three-dimensional shapes and two-dimensional patterns are combined in a soft harmony. Each piece has a unique aesthetic inspired by the different shapes and shades of the stone paths. The rough, hard edges of the stone tiles are transformed into soft, organic shapes appropriate for furniture. Asymmetry reigns supreme through an ode to comfort.
