

BP302003 WALLPAPER CANTON

A stunning, polychrome, Chinese-style wallpaper inspired by the works of Pillement, most likely printed at the Réveillon factory after 1770. It depicts two Chinese scenes in staggered rows on a finely speckled background. It was presumably coordinated with a printed cloth from the Oberkampf factory at Jouy-en-Josas. The original document is kept at the Toile de Jouy Museum.
