

## BP352002 COULONGES SEMIS

This embroidery is a reinterpretation of a canvas printed with the block printing technique in France in the last quarter of the 18th century. Inspired by indiennes, the original document is kept in the Maison's archives. This delicate sowing of exotic plants is finely embroidered on a magnificent linen satin and laminated on non-woven fabric. Coordinated with the fabrics COULONGES B7659 and COULONGES CONTREFOND B7660.
