

## FP424666 NUBEM

In 2016, Benjamin Graindorge participates in Pierre Frey's "Inspired Fabrics" exhibition at the Decorative Arts Museum. Inspired by the House's creative years of 1960 through 1979, the artist created this wall covering for which he played with visual perception by choosing pixels as a unit. In this he joins the spirit of Op Art of the early 1970s.
