

## FP804001 DESIGNER DOGS

Loyal and beloved companions, dogs are undoubtedly interior designer Ken Fulk's favorite animal. In a nod to the happy pack that his studio "The Magic Factory" in San Francisco hosts, this design features portraits of his four-legged companions. Sublimated by a digital overprint on a metallic background and laminated on non-woven (ref Nîmes), the wallpaper transforms and modulates by effect of the light.
