

## FP818001 ENCYCLOPEDIE

Jules, 9 years old, is a budding artist who has been drawing fantastic birds since he was very young. Cold-water gulls, big-chinned spawning birds, crested sandies, miniature-headed kangolis and perched cuckoos are the fruit of his abundant imagination. The story of this young autistic boy, who communicates with joy and profusion through his creations, touched the Pierre Frey studio. His marvelous drawings give life to "ENCYCLOPEDIE" and allow us to discover a world of exceptional fauna!
