

## FP825001 CHAT PERCHE

A fully inhabited tree! On all the branches, on all the floors, friendly animals have a good time. While some are chatting, strolling, or bubbling, others are playing perched cat! It is good to live in this majestic tree between daisies and blue sky. This wallpaper is an archive of la Maison dating from 1980 made with gouache. It is offered here in a panoramic version that can be joined.
