

## F2982009 GEORGES

Utilisé depuis la plus haute Antiquité, le lin est la fibre naturelle par excellence. Naturellement antibactérien, il est solide, se teint aisément. Utilisé en toile, damas, il révèle toute sa beauté sous la forme du velours. C'est la raison pour laquelle nous avons souhaité revisiter cet indémodable uni présent dans nos collections depuis les années 50. S'intégrant aussi bien à un intérieur classique ou moderne, il est l'indispensable uni des amateurs du Beau. Se patinant avec le temps, il joue merveilleusement avec la lumière, présentant des effets mats et brillants. La main est à la fois nerveuse et douce en raison des caractéristiques intrinsèques du lin.
