

F3521012 ANGKOR

Ce nouvel uni matière évoque les pailles naturelles asiatiques grâce à un mélange subtil de fils. Particulièrement adapté pour une utilisation siège, sa main et son tombé lourd et rond en font également un tissu de caractère pour des rideaux intemporels. Il se décline dans une large palette de couleurs élégantes et subtiles.

F3521012 - Horizon

Laize : 143,00 cm / 56,29 inch

Pierre Frey

PERFORMANCE	haute résistance
TYPE	Uni
