

## F3522011 TOILE MISTRAL

Inspirée des bâches de bateau de la côte méditerranéenne, la TOILE MISTRAL est éco-responsable et s'inscrit dans une démarche soucieuse de la traçabilité des matières premières. Elle mêle coton biologique et coton recyclé filé en Espagne et certifié GOTS. Ultra performante, elle résiste fortement à l'abrasion. Antitache, son traitement déperlant renforce sa solidité dans le temps. Tissée en France, elle se décline en une large gamme de couleurs lumineuses.
